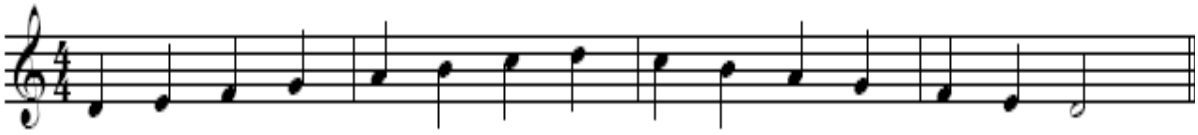
THE DORIAN SCALE

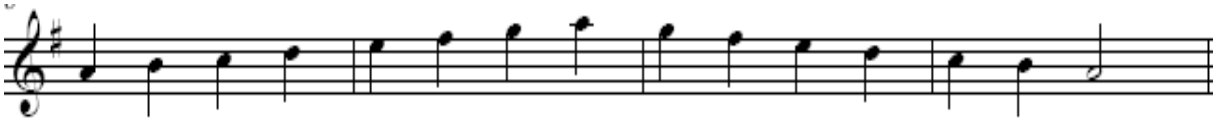
What is The Dorian Scale?

The Dorian Scale is a natural minor scale with a raised 6th scale degree (Starting on the 2nd degree of the Major scale)

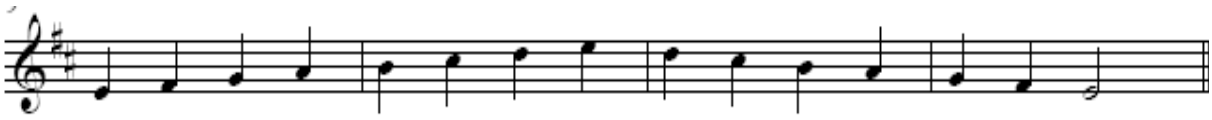
So if we were in C Major the Dorian Scale would start on D:



If we were in the Key of G major the Dorian Scale would start on A:

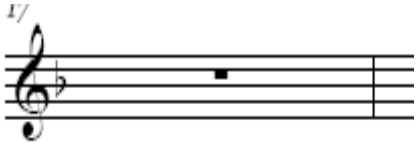


If we were in the Key of D major the Dorian Scale would start on E

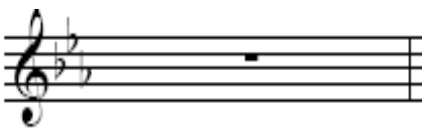


If we were in the Key of A Major what note would the Dorian Scale Start on? _____

If we were in The Key of F Major what note would the Dorian Scale Start on _____



From the Key Signature below please write out the Dorian Scale:



_____
_____
_____
